WANTED LIST NO. 13

1. This List is a Supplement to Wanted Lists Nos. 7 - 12 and contains the names of persons wanted as Alleged War Criminals or Witnesses to War Crimes.

2. If any persons listed should be located and detained a CROWCASS Detention Report (to be invariably submitted in respect of all Detainees) should be completed showing Reason for Arrest as "CROWCASS Wanted List No. 13, C.R.NO....." or "Possibly CROWCASS Wanted List No. 13, C.R.NO.....". If a Wanted Person is located only, and not detained, as full a description as possible of the person located should be set out in letter form and forwarded to CROWCASS including the reason for non-detention.

3. In the event of CROWCASS thus receiving information of a match or possible match between a Wanted Person and a Detained or Located Person the wanting nation is immediately informed, even although the Detainee may be held in the custody of that nation. In cases where extradition of a Detainee is applied for considerable delay may be unavoidable. If and when the extradition of a CROWCASS Wanted Personality has taken place CROWCASS should be informed immediately.

4. If a Detaining Authority receives instructions to Release or Transfer any Detainee who is possibly or definitely a CROWCASS Wanted Personality a check should first be made with that Authority's War Crimes Staff HQ. and a copy of the communication endorsed to CROWCASS.

5. The information given in this List about each person is all that is contained on the Wanted Reports filed with CROWCASS. The descriptions given are <u>not</u> summaries.
